

16 June 2021

Dear Parent

On Friday we said a fond and emotional farewell to our Year 11 students. The assembly shared lots of positive memories of students' time at Carlton Academy. There were many laughs and a few tears following their leaver celebrations which included speeches from staff, a video of past events and trips. It was a great opportunity to allow students to reflect on their friendships and memories they have made and their school experience, particularly over the last 15 months. We take this opportunity to wish them all the very best for the future.

Donations of uniform

Many thanks from us and the PTFA to those of you who have made donations of uniform. We received an overwhelming amount of uniform and PE kit and your donations will support the PTFA uniform swap shop. Further details regarding this can be found [here](#).

Year 11 study materials

Whether students are returning to The Carlton Academy or moving on to other destinations they will remain in some form of education for two more years. Students should use the next few weeks to carry out studies that will assist them in bridging the gap between GCSE and Post 16 and exploring their careers options. Study materials have been made available for all students to use, and these can be accessed through Student SharePoint in the Year 11 homework section.

A folder entitled summer transition work contains units for all subjects to support the transition from GCSE to Post 16 study. The Year 11 Independent Study guide in the folder also contains links and suggested reading to further enhance subject knowledge and understanding. The [National Oak Academy](#) can also be used as a resource to supplement curriculum knowledge in specific areas of study.

The Year 12 induction events have been shared by Mrs Armitage with those students that have applied to our Sixth Form. The events will take place on Wednesday 14 and Thursday 15 July. If your child is returning to The Carlton Academy and for any reason is not able to attend these days, then please contact Mrs Constable at l.constable@theacademycarlton.org.

Careers Guidance

Information regarding careers education can be found on the website [here](#). Students are also able to get 1:1 career advice from Mr McArdle our Careers Advisor. All details relating to this are [here](#).

Year 11 Results Day – 12 August 2021

We will write to you in due course to share the arrangements for GCSE results day as this will be dependent on national restrictions and guidance from The Department of Education.

Thank you for your continued support as all ways.

Yours sincerely,

Ms Egwuma
Head of School
