

28 September 2020

Dear Parent/carers

Post-16 Open Evening – Thursday 15 October 2020

Under usual circumstances, we would be inviting you to our annual Post 16 Open Evening to come and visit the school and meet staff and students prior to your child applying for their Post 16 place at The Carlton Academy. Regrettably we are unable to offer this experience this year.

In order to provide you with the best possible opportunity to find out about our Sixth Form we will be holding an online talk and an opportunity for a follow up contact should you have specific questions or queries. This is a very exciting time for our sixth form, with the opening of our second new study centre and the widest range of courses and enrichment opportunities we have ever been able to offer.

We would like to offer you the following opportunities to get a true flavour of our highly successful Sixth Form. These will be in the form of a Zoom meeting, with a presentation from the school, with a follow up online form for you to complete should there be additional queries that you may have which will then be answered on an individual basis before the end of the week by phone or email.

We are very proud of the high quality provision in our growing Post-16 and the academic success which it delivers for students.

We do hope that you are able to join us on the night and see what we have to offer.

Thursday 15 October 2020 – 6:30pm, online presentation delivered by The Head of School and Head of Post 16.
