

5 April 2019

Dear Parent

***** IMPORTANT DATE CHANGE FOR PRACTISE WEEKEND *****

Due to a GCSE PRE exam on Monday 20 May, a number of parents have come forward expressing concern that their child would be tired and unable to perform to the best of their ability in the exam.

Due to the importance of this, we have taken the decision to change the date of this practise weekend. It will now be as follows:

Practise Expedition

Silver: Friday 21 June 2019 – Sunday 23 June 2019

Qualifying Expedition

Silver: Friday 19 July 2019 – Sunday 21 July 2019

The qualifying weekend remains the same. It is essential that your child attends both the practise and the qualifier as part of the award.

I offer my deepest apologies that we have had to make this change, the initial dates were decided before the exam calendar had been released. It was unforeseen that there would be this clash. I hope this doesn't cause any inconvenience and that your child is able to continue with this year's expeditions. Please contact me if there is a problem as there may be the opportunity for one group go out on the original weekend as planned

Many thanks

Sarah Pollard
