

24 July 2020

Dear Year 11 Student and Parents

Information regarding Results Day on 20 August 2020

We hope that you are all safe and well. We wanted to get in touch to explain how results day will operate in the summer. This year will be slightly different to previous years in terms of the way students will collect their results. In order to keep students and staff safe, we have put additional measures in place that enable us to offer you the opportunity to collect your results from school in person. Once you have your results, you will be offered the help and advice you need to proceed to the next stage in your education or training.

Collecting results

Due to the current circumstances, students will be invited to collect their results at an allocated time which will be communicated via text in due course. When you arrive to collect results, please enter the school via the theatre gate no earlier than 5 minutes before your appointment time. Regrettably we cannot make changes to appointment times and students cannot be accompanied by friends or family members.

If you would prefer not to come into school or you are on holiday on results day, we can post your results to your home address. In order to do this, you must send us written permission to be received by us no later than 12 August 2020, for the attention of the Exams Officer at p.matthews@theacademycarlton.org. It is not possible to email your results to you, nor to share them over the phone.

Important: If you have a persistent cough, high temperature, loss of taste or smell or any symptoms related to Covid 19 on results day or on any of the 7 days leading up to results day, you must not come in to school to collect results.

Destinations

When you arrive in school, you will be escorted to receive and open your results. We will then collect some information about your plans for September and some updated telephone and email contact details. If you decide you want to apply to TCA and you haven't done so already, or if you want to change your choices, you will be given some support to do this before you go. Careers advice will also be offered for anyone who needs it.

If you have already applied to TCA Sixth Form, please ensure that you have logged into your online application prior to results day. If you are unable to access your application, please contact Mrs Constable at l.constable@theacademycarlton.org. It is important that you can access your application so that you can enrol on results day.

These are unprecedented times and results day will not run as it has in previous years, but we hope that it will be a memorable experience for you as well as a chance to come in and receive the support and guidance you need for your next steps.

Best wishes

J Mora

Assistant Headteacher
