

## What is TCAOPPORTUNITIES?

While we ensure that our curriculum develops the students' awareness of the best that has been done and achieved alongside gathering new knowledge to help them become successful young people who are ready to take steps into becoming independent young people who can cope with the challenges they will face. We also recognise the vitally important role that extra-curricular experiences play in developing individuals.

It is for this reason that alongside embedding British values through PSHE, DRIVE, RSE and our Enriching Curriculum Opportunities (ECO) days, we provide an extensive offering of opportunities that includes extra-curricular trips, educational visits and partnerships, Extension and Achievement programme, CEIAG offer, ensure students experience and achieve not only academic success, but also develop as well-rounded individuals who are prepared for life outside of the academy.

The TCAOPPORTUNITIES Programme is designed to complement and enhance this already outstanding provision extensive and offers 'something for everyone'. We strongly believe that the wider curriculum is an essential part of each students learning and offers our students the chance to learn about life in its broadest context; its challenges and opportunities, how to respond to occasional disappointments through developing resilience. As such, we place huge importance on extra-curricular and personal development within the ethos of our academy, ensuring the right balance between academic outcomes and development of the whole individual. As a staff, we do all we can to encourage and celebrate participation in as wide a range of opportunities and these are recorded and celebrated within the academy.

All of the opportunities we provide, add significant value to the education and experiences of young people and allow adults to work with them in a variety of activities and experiences which foster strong relationships of trust.

We strongly believe that when students access the great offering that we have here at the Carlton Academy with the support of their peers and parents we are providing them with the necessary knowledge, skills and experiences to excel both here at the academy and in their life beyond.

# The Carlton Academy

**TCA OPPORTUNITIES**  
**2021-2022**

# What do we offer?

Currently we offer over 60 different and wide ranging extra-curricular opportunities for the students at The Carlton Academy. This offer is constantly refined and has grown year on year and we believe it truly offers something for everyone. It allows for participation and organisation and we also listen to the views of our students and parents and where possible develop our offering to meet the wants and needs of our students.

## Descriptions of the Opportunities on offer:

<b>Learn how to Cook</b>	<i>12 week programme for Duke of Edinburgh award Skills section. W/c 01.11.21 ending W/c 07.02.22</i>
<b>Learn how to Sew</b>	<i>12 week programme for Duke of Edinburgh award Skills section. W/c 21.02.22 ending W/c 13.06.22</i>
<b>F.U.N Club</b>	<i>Attend D&amp;T to embed skill and enhance your GCSE work. For those in year 9-11</i>
<b>Sustainability &amp; Upcycling Club</b>	<i>For students in Years 7 and 8 to embed new skills, learn about sustainability and develop areas within the school.</i>
<b>Ready Steady Cook</b>	<i>This club aims to give students the knowledge, skills and confidence to enjoy cooking meals at home. Students will be encouraged to transfer skills learnt to other recipes to continue cooking for themselves and their families and to inspire others by passing on their knowledge. We believe being able to cook is an essential life skill which empowers people to make changes that have benefits to health and wellbeing.</i>
<b>Dragon's Den</b>	<i>Learn how to set up a brand new business. Students will be able to sample all aspects of business from marketing their new idea to presenting a pitch in the style of a true entrepreneur</i>
<b>Hooked on Books</b>	<i>A discussion group where you will choose a book to read each month, before meeting to discuss that book's merits and shortcomings. Snacks provided!</i>
<b>The Literati</b>	<i>A discussion group where you will choose a book to read each month, before meeting to discuss that book's merits and shortcomings. Snacks provided! Particularly good for students considering an A Level in English.</i>

## Descriptions of the Opportunities on offer:

<b>English Performance Club</b>	<i>English is not just about reading and writing - words were made to be performed! This club is for anyone who enjoys English and Drama, and would like to have a go at English as performance. We will practice and perform a range of spoken texts, including modern plays, poetry, speeches and Shakespeare. Including visits from local performers, and trips to see the spoken word in action!</i>
<b>Singing Group</b>	<i>All year groups and abilities welcome, singing a range of styles, preparing for performances in 2021/2022</i>
<b>Practice Rooms</b>	<i>All students are welcome to sign up and use the practice room facilities during breaks and lunches. Sign up sheets will be available on the main music noticeboard. Students can practice individually or form a group or band of their own.</i>
<b>Anything Goes Band</b>	<i>Open for all ages. If a student can play any instrument (even at a basic level), they are welcome to join the AG band. Band will be used in the school production and in other performance opportunities.</i>
<b>Christmas School Show</b>	<i>Running from September to late December, this is an opportunity for anyone to play their part in what is always a great experience. If you want to be on stage or work behind the scenes then there is a place for you.</i>
<b>Music Technology Club</b>	<i>The next Dr Dre? A chance to explore the endless possibilities LogicPro offers in producing and recording music.</i>
<b>Dance Academy</b>	<i>Open to all year groups for students who have a Passion for Dance and want to learn new styles. Dance Academy student will get the chance to perform at various events through the school year.</i>
<b>Dance Bronze Arts Award</b>	<i>A chance for students to develop Dance skills whilst studying for a recognised qualification</i>
<b>Drama Arts Award</b>	<i>A chance for students to develop Drama skills while working towards a recognised qualification.</i>

## Descriptions of the Opportunities on offer:

<b><i>Cryptography</i></b>	<i>A chance for students to crack codes</i>
<b><i>Years 7 &amp; 8 Maths drop-in</i></b>	<i>An opportunity for students to develop skills in Maths</i>
<b><i>Maths Challenge Club</i></b>	<i>Students supported towards taking part in the UKMT (Junior and Intermediate)</i>
<b><i>Homework support club- Maths</i></b>	<i>Help with HegartyMaths or Dr Frost for that week.</i>
<b><i>Sixth Form drop-in (Maths support)</i></b>	<i>A opportunity for students to seek additional support by a member of staff</i>
<b><i>Maths Film Ckub</i></b>	<i>Showcasing a maths based film once every half term</i>
<b><i>Football 3G turn up and play (lunchtime)</i></b>	<i>Invite only- All students need excellent attendance and behaviour to gain entry cards to enable them to play football at lunch times. Years 9, 10 &amp; 11</i>
<b><i>Basketball</i></b>	<i>Team basketball practice for Years 7-11. Students can choose to participate who want to take part in competitive basketball in school teams or play recreationally each week. All students welcome.</i>
<b><i>Handball</i></b>	<i>Handball practice for Year 7-11. Students can choose to participate who want to take part in competitive handball in school teams or play recreationally each week. All students welcome.</i>
<b><i>Football Club</i></b>	<i>Football practice for Years 7-11. All students welcome.</i>
<b><i>Rugby Club</i></b>	<i>Rugby practice for Years 7-11. All students welcome.</i>
<b><i>Fitness Club</i></b>	<i>All years Fitness</i>
<b><i>Cheerleading</i></b>	<i>Cheerleading practice for Years 7-11. This will be both recreational and in preparation for a competition. No experience is needed. All students welcome.</i>

## Descriptions of the Opportunities on offer:

<b>Running Club</b>	<i>Improve your running efficiency. For Years 7-11. All students welcome.</i>
<b>Netball</b>	<i>Netball practice for Year 7-11. Students can choose to participate who want to take part in competitive netball in school teams or play recreationally each week. All students welcome.</i>
<b>Duolingo Club</b>	<i>An opportunity for students to compete against each other learning other languages</i>
<b>Foreign Film Club</b>	<i>A film club run by our language ambassadors with Years 7 &amp; 8 students who want to engage with foreign films</i>
<b>The Past and the Curious</b>	<i>This is an exciting and fast-paced History club! Throughout the year, we'll be racing through lots of different historical periods and events that we don't study in KS3 lessons. You'll be the driving force behind what topics we study. This club will involve lots of fun activities including building models and debates.</i>
<b>Reel History</b>	<i>You've learnt about the events in lessons but now you'll be able to see the events brought to life. This club, for KS4 History students, will feature lots of different films on a range of periods to broaden your understanding.</i>
<b>Philosophise this</b>	<i>Thinking about the big questions in life and trying to answer them. You will explore the most interesting aspects of philosophy from what is the meaning of life to is the universe actually real. Great for those who like to think outside of the box and debate/argue their view!</i>
<b>Planet Protectors</b>	<i>An exciting new club where we will try and save the planet one step at a time. We will investigate environmental issues and try and come up with some practical solutions.</i>
<b>Geog your Memory</b>	<i>An opportunity for students to revise geography in an interesting way. Each week we will play games to revise core content. Students will also be encouraged to create their own games and creative ways of revising</i>
<b>Years 7 &amp; 8 Science Club</b>	<i>An opportunity to engage with exciting Science practicals and investigations</i>

## Descriptions of the Opportunities on offer:

<b>Crest Award</b>	<i>An opportunity available to Year 9 students to take part in STEM activities and earn a Bronze Crest Award</i>
<b>Science Surgery</b>	<i>Homework support for Years 9, 10 &amp; 11</i>
<b>Social Science Surgery</b>	<i>Mindfulness activities, stress management and anxiety management skills for Years 9, 10 &amp; 11</i>
<b>Dungeons and Dragons Club</b>	<i>Students will gather once a week after school to indulge in collaborative storytelling underpinned by a system of statistics and dice rolling. Create a character, select your skills and join a team to take on a series of puzzles, mysteries and obstacles. No experience or equipment required, just bring yourself.</i>
<b>Year 7 Book Club</b>	<i>Fun, giveaways, quizzes, competitions, meet our 'Book Penpal', take part in the Redhill Academy Trust Book Awards, create displays - oh, and a little bit of reading too!</i>
<b>Chill Out Tuesday</b>	<i>Dimmed lights, chill out music, mindful colouring, relaxing activities in the library.</i>
<b>Redhill Academy Trust Book Awards</b>	<i>Reading, reviewing and discussing the books in our annual Redhill Academy Trust Book Awards</i>
<b>Film Club</b>	<i>Once a week, students meet to watch a collection of culturally diverse films and write reviews for them with the potential of winning prizes with Into Film.</i>
<b>Gardening &amp; Environmental Club</b>	<i>A chance to learn about growing your own food and explore nature and wildlife in the school garden. This activity is run by an experienced landscape gardener and will see you develop skills for life ahead.</i>
<b>Tech Crew</b>	<i>Once a week students meet to learn and implement the basics of theatre lighting design, programming and operation, stage management and sound engineering. Students will gain the knowledge and experience to support with school events such as commendation evenings.</i>
<b>Careers drop-in Support</b>	<i>Opportunity for students to speak to the school's career advisor regarding anything careers-related</i>

## Descriptions of the Opportunities on offer:

<p><b>The Minerva Programme (invitation only)</b></p>	<p><i>The Minerva programme will foster the curious minds of those who have performed at a consistently high level academically. Throughout the year, students will participate in a range of activities, trips and after-school events designed to better their critical thinking skills, confidence in public speaking, and a greater awareness of the opportunities that life has to offer you.</i></p>
<p><b>Student Action for Refugees</b></p>	<p><i>Working with a local organisation who support and offer guidance to refugees in Nottingham. Activities TBC in consultation with charity.</i></p>
<p><b>Life through the Lens</b></p>	<p><i>Attend Photography workshops to learn about camera handling and techniques to achieve that perfect shot. Learn how to further manipulate imagery with digital editing software.</i></p>
<p><b>Listen to your Art</b></p>	<p><i>Attend Art workshops to embed the skills learnt in class as well as developing new skills. Possibility of working on community projects and for local exhibitions.</i></p>
<p><b>The Artisans Club</b></p>	<p><i>For students in Years 9, 10 and 11 to work in a creative space to complete artwork with support at hand, having access to various media, equipment and resources.</i></p>
<p><b>Careers Drop in &amp; Support</b></p>	<p><i>Drop-in support for applications and guidance for post-16 options. Opportunity to speak to the school's Career Advisor regarding anything careers-related</i></p>
<p><b>Programming &amp; Robotics Club</b></p>	<p><i>A fun and exciting club to come have a great time connecting with others who have similar interest. The club will teach you to develop your programming skills and make mobile-based applications in JAVA, Create websites using HTML, CSS and JavaScript. The possibilities are endless so come with an idea and we can help you bring that to life whether that is in Scratch or a high-level programming language.</i></p>
<p><b>Read Out Loud</b></p>	<p><i>An excellent opportunity for students who enjoy listening to stories to develop reading skills! In this session we will choose and read a book together, discussing the story and embracing the traditional method of storytelling.</i></p>
<p><b>Homework Club</b></p>	<p><i>Come along to get some help with homework or just a quiet place to work. Years 7, 8 &amp; 9</i></p>
<p><b>Study Lounge</b></p>	<p><i>A quiet place to work for Years 10 &amp; 11</i></p>

# What do we offer?

## Descriptions of the Opportunities on offer:

## SECTIONS

For students completing a DofE award, to fulfil 3 of the 4 main sections of the programme; Volunteering, Physical & Skills, The Carlton Academy Opportunities programme offers a wide range of options for you.

You could volunteer at a club, giving time to help and support others. Choosing any sport, dance or fitness activity that requires a sustained level of energy and physical activity will help you fulfil the Physical section. Broaden your understanding and increase your expertise in your chosen skill.

We have a few opportunities already confirmed purely for those completing the award, but do watch this space for more being added to the programme including Chess Club and St John's First Aid Course.

<b>Tuesday</b>	Years 9, 10 & 11 (invite only)	Weekly	<b>Learn how to Cook</b> 12 week programme 01.11.21 to 07.02.22	8	FD1	Mrs Williams
		Weekly	<b>Learn how to Sew</b> 12 week programme 21.02.22 to 13.06.22	5, 7, 8	TX1	Mrs Williams

# Pledges House Event

Attend some of the TCA OPPORTUNITIES and complete the Pledges...

The Carlton Academy pledge scheme aims to encourage students to gain a breadth of experience throughout their time at school, in addition to their academic studies. The scheme will enable students to be rewarded for their wider contribution to school events and activities as well as work in the community. Attending clubs from the opportunities programme and taking part in wider opportunities, trips and visits will contribute to students getting their pledges completed. Tutors will review what students have been getting involved in and will support them in getting the pledges signed off.

Students are expected to complete all these pledges during their time at the Carlton Academy as part of their wider curriculum experiences. Getting these pledges completed will not only support students in developing important life skills but will also give a direct pass to attend the Year 11 Prom.

**1** To achieve 96% or better attendance each academic year.

**2** Successfully participate in at least six school trips.

**3** To represent the academy in sports or performing arts events.

**4** Organise and actively participate in at least three different assemblies.

**5** Contribute to the wider community.

**6** To support others within the academy.

**7** Actively engage DEAR time and additional reading activities.

**8** Personal Pledge.
