Dear Parent

Update letter 6 November 2020

I would like to thank all parents and students for their support in the first week back after half term. I have been really impressed with how students have returned to school and using the full site. The new building, home to humanities and drama and Post 16, has created a vibrant learning space and students appear to be thoroughly enjoying using these spaces.

It is with regret, following the latest DfE guidance that we have had to make some changes to our opportunities programme at this time. All after-school activities such as sports and extra-curricular clubs will cease during the national lockdown. We will continue to offer homework club, Duke of Edinburgh classroom activities and period 6/revision lessons.

Can you please continue to support us with arrival and departure times and routes. We ask that Year 7 and 8 do not arrive before 8:45. Face coverings must continue to be worn in designated spaces, I really so appreciate your support with this matter and your support with the ban on mobiles phones.

We will observe a two-minute silence on Remembrance Day and have poppies on sale at Student Reception. Remembrance activities and a virtual assembly will also take place during the week.

There will be a non-uniform day in support of Children In Need on Friday 13 November 2020. A separate letter will be sent with more details in relation to this.

Thank you for your on-going support,

MEgwuma
