Equality and Achievement

*Working together to help all our students
achieve their best, now and in the future*

Our Core Purpose

**Raising
achievement
for all our
students**

Our guiding principles:

- High expectations for all
- Outstanding teaching
- Widening students' experiences
- Valuing and celebrating academic achievement
- Committed to equality and diversity

What kind of school do we belong to?

- A place where we respect each other for who we are.
- A place where achievement is important.
- A place where opportunities are wide and for all.
- A place where learning can happen without interruption.
- A place to be proud of.

**A place
where we
all belong**

This is us.

Our school.

**Our Carlton
Academy.**

- Many opportunities for students to experience the school before starting in Year 7
- Art events from Year 2+, English and Maths master classes, Sports leadership programmes, languages teaching from TCA staff, science and Enterprise days
- Information sharing
- Transition day
- Additional visits to school
- Summer reading project
- Meet the tutor events
- Year 7 parent welcome evening
- Annual trip to Walesby
- Strong contact with tutors and House teams

**Our induction
= successful
transition**

Induction Days– Wednesday 3 and Thursday 4 July

- Arrive between 8:45am and 8:55am and look for the sign for your identified class outside the theatre.
- Wear current school uniform, bring a pen, pencil, ruler, water bottle and trainers
- Bring a snack for break time
- Lunch is provided on both days
- Both days will finish at 2:55pm

Activities

Students will experience:

- Lessons from a range of subjects
- Assemblies from Heads of Houses
- Learn about what, why and when we do things at TCA
- Memory and Recall Session
- Musical performance
- Reading Assessment to support transition
- Biometrics

Reading

- We are a school that values reading and reading together
- DEAR (Drop Everything and Read) time takes place for the first 15 minutes of lessons each day on rotation
- Students will also read as part of the tutor time programme
- Every student in Year 7 and 8 have a timetabled Accelerated Reader lesson in the library each week (this lesson is used for intervention for some students);.

Accelerated Reader

- One lesson per week in the Library
- Students complete a STAR test in September to establish which book level they would be reading.
- When students finish a book, they will take a quiz based on it.
- There are certificates, achievement points and prizes available for passing the quizzes and reading lots of books.

The Thames and Tide Club by Katya Balen

Clem and her friends Ash and Zara are members of the Thames and Tide Club! Every weekend they go mudlarking by the river, searching for treasures that have washed up on the shore. Clem has found a whole heap of rubbish. But one day, she finds something magical. Something magical that belongs in the hands of its rightful owner, or else. Before they know it, they are on the weirdest, wildest adventure they have ever had.

Jamie by LD Lapinski

Jamie Rambeau is a happy 11-year-old non-binary kid who likes nothing better than hanging out with their two best friends Daisy and Ash. But when the trio find out that they will be separated into one school for boys and one for girls, their friendship suddenly seems a lot more complicated. One has thought about where they are going to go, and the other matters into their own hands and sort it all out around Nottingham.

Curriculum +

- We recognise the important role that extra-curricular experiences play in developing individuals
- We provide an extensive offering of opportunities for students to participate in which cover a range of clubs, classes and interests
- All of the opportunities we provide add significant value to the education and experiences of young people
- Our September 2024 offer will be available to view on our website at the beginning of the new term and will start on the 12 September 2024
- It is our expectation that every student gets involved and attends at least one activity after school per week

Sample of Curriculum + offer

Book Club	<i>Lots of fun, lots of giveaways, competitions, meet our 'Book Penpal', take part in The Redhill Academy Trust Book Awards, create displays - oh and a little bit of reading too!</i>
History Club	<i>An opportunity to learn about different eras of history that you might not get the chance to in lessons. Lots of fun activities such as watching films, debates and much more!</i>
Programming Club	<i>This is a fun exciting club/workshop for those students who want to shape the future. In this club we will look at interactive and inspiring technologies, learn to design and build games, apps and websites. You will learn new skills to not just program but also how to work as a team, build your social skills and become part of a growing community of programmers. Part taking in this will lead to students being able to take part in future fun trips and show and tell exhibitions.</i>
Upcycling Club	<i>Learn how to turn old pallets into furniture and useful household/ garden items.</i>
Art Club	<i>Come along to Art workshops to embed the skills learnt in class as well as developing new skills.</i>
Rock Band	<i>Are you the next rock star? Do you love playing an instrument? Rock Band is an opportunity for friends to get together and play in a band. You choose the songs you play!</i>
Maths Challenge	<i>Student will be preparing to compete in the UK Junior Maths Challenge. The Junior Maths Challenge encourages mathematical reasoning, precision of thought, and fluency in using basic mathematical techniques to solve interesting problems. The problems on the Junior Mathematical Challenge are designed to make students think. In these sessions we will explore these challenging questions and explore strategies to help the student perform well in the upcoming competition.</i>
