Thank You to Our Student Helpers

A huge thank you to all of our wonderful student helpers who gave up their time to support our recent Year 6 Open Evening.

Our students played an important role in helping the evening run smoothly, welcoming prospective students and their families, providing assistance and representing Carlton Academy throughout the event. Their enthusiasm, kindness and willingness to support the school helped make the evening a great success.

We really appreciate the time and effort each student put into the evening. Thank you for your hard work and for being fantastic ambassadors for our school!

Reminder to all parents and students that we have an INSET Day on Monday 21 September. School will be closed to all students on this day.

Maths Calculators:

We have loved welcoming students back to their Maths lessons. Whilst we are able to support students with the loan of calculators in class we would like to encourage as many students as possible to purchase their own. We recommend the Casio fx-85GT CW which are often found on offer for about £12, these are the ones that we use in class.

For some of our keen mathematicians the Casio FX-991CW is also recommended, this has some additional functions but comes at a slightly higher cost.

Reminder that school photos will take place on Tuesday 22 September. Years 7, 9, 11 and 12 will all have an individual photos taken throughout the day which will be made available for parents to purchase. As well as this, Years 7, 11, and 13 will all be having a year group photo taken on the day.

Congratulations to Our Head Boy and Head Girl

A huge congratulations to our Head Boy, Rory, and Head Girl, Ellie, who delivered fantastic speeches during both presentations at our recent Year 6 Open Evening. Both students represented Carlton Academy brilliantly, speaking with confidence and professionalism in front of prospective students and their families. Throughout the evening, Rory and Ellie received many compliments on how well they spoke and their confidence when addressing the audience.

We are incredibly proud of them both and grateful for the excellent way they represented our school. Well done, Rory and Ellie!
